STATEMENT OF VALUES

We acknowledge that the land Woodshed sits on is the traditional land of the Kaurna people and that we respect their spiritual relationship with their Country. We also acknowledge the Kaurna people as the traditional custodians of the Adelaide region and that their cultural and heritage beliefs are still as important to the living Kaurna people today. We respect the Elders of the Kaurna people, past, present and emerging.

Woodshed is a safe and inclusive space for all patrons and performers. We encourage participation from all members of the community free from prejudice and discrimination. Our staff are trained in protective and preventative measures to ensure the safety of patrons and artists.
